

HPAM 7600: Health Policy and Management Participation Assignment #1

Instructions:

This questionnaire is a way for me to know my population without putting individuals “on the spot” and for you to refresh yourself on your health details so that you can more effectively participate in classroom discussions. This questionnaire is entirely voluntary and anonymous. If you do not wish to complete this assignment, simply check that on the next line and hand this in on the due date, which is Tuesday, August 25, 2009.

_____ I do not want to complete this questionnaire.

If you do want to complete the questionnaire, bear in mind that you can skip questions if you would like.
