

Evaluation of Group Work – Group 1  
Due Tuesday, September 1, 2009

**Group 1 Assessments**

Put an X in the line by your name. Assign a score to every other member of your group based on their effort and contribution to the project. The sum of all of these scores should add up to 100. Then add a short comment on your rationale for the score. I will compile these comments to provide feedback to each individual. Please provide a comment for every individual in your group.

**Group Assessments**

Put an X in the line by your group. Assign a score to every other group below based on the criteria listed. The sum of all of these scores should add up to 100. The criteria for evaluating each group are the following:

- a) knowledge about health reform plans and process
- b) knowledge about pros and cons of issues
- c) knowledge about various positions on issues and plans
- d) quality of presentation

Then add a comment on your rationale for the score. I will compile these comments to provide feedback to each group. Please provide a comment for every group except your own.
